

CAT® Product Link

Only one equipment monitoring service has you linked to a world-class dealer network.

Cat® Product Link enables convenient remote monitoring of your equipment. Get information you can use – with the support of your Cat® Dealer – to keep your jobs on schedule, maintain machine health and reduce the costs of owning and operating your fleet.

To activate your **Product Link** contact Brent McQuinn
Inside Parts & Service Representative
Nova Scotia, New Brunswick & PEI
Ph: 1.866.440.4043
Email : bmcquinn@atlcat.ca

Look for the **Product Link** tag in all new Cat® machines.

Three levels of insight to meet your specific business requirements:

Asset Watch* (included)

Machine Location
Machine Location Mapping & History
Non-reporting Machine Identification
Machine Hour Reading & History
Time and Geo-fencing Alerts

Maintenance Watch*

Preventative Maintenance (PM) and Repair Planner
PM Notes
Next PM Due (date & hour based)
PM Alerts, Checklist and Parts List
Customized PM Checklist
Online Parts Ordering
Maintenance History
Manage Major Repairs
Repair History
PM of Repair Request for Quote

Health Watch*

Event & Diagnostic Codes
Fuel Level
Fuel Level History
Fuel Level Alert
Fuel Consumption
Refueling History
4 Digital Switch Channels

* See dealer for subscription cost.

Note: Health Watch information is dependent upon the machine model, year of production and Product Link model installed.
Machines produced with electronic engines and transmissions equipped with Product Link model PL321SR normally can provide this information.

Atlantic 

The difference counts.
